

Construction is scheduled to start on Tuesday, July 6th. The crew will begin initial setup work on Tuesday, no excavation is expected on Tuesday.

On Wednesday, July 7th, the crew will begin work on the sanitary sewer at Green Bay Ave and work their way south. Expect the access to Green Bay Ave to be closed all day Wednesday, July 7th, starting at 7am. Green Bay Ave. traffic East and West will remain open with flaggers in place. We hope to be completely out of the intersection on Wednesday and have a temporary road surface installed on Thursday, July 8th.

The crew will continue to the south working on sanitary sewer the remainder of the week.
